

FUTURE STARS 2013

Future Stars is back for the spring 2013 season. For the past several years, WCSA has brought you *Future Stars* as an addition to the training you have received in your team practices. This year, we will continue with our *Future Stars Juniors* program as well as our *Future Stars*.

Future Stars Juniors focuses on the U7-U9 players, while the *Future Stars* focuses on the U10-U12 players.

The *Future Stars* program is designed for the recreational player who desires professional, age appropriate, foot skill soccer training, to assist his/her soccer skill development and enjoyment.

All coaches are experienced coaches who enjoy helping youth players become better players.

The program is designed in a manner where each week:

1. a review of previous skills are given
2. new skills set are learned
3. small-sided games are played with the encouragement to use the skills worked on

The sessions are designed to improve the core soccer skills that a player needs, dribbling, passing, receiving, and finishing. A good player must master the basic foot skills.

When: 6 Friday Nights (March 8-April 26) No session on March 22/29

Time: 5:30pm-6:45pm

Ages: Future Stars U10-U12
Future Stars Juniors U7-U9

Where: WCSA West Complex Fields

Cost: \$45
