

# Hot Shots Soccer Camps

Dates: June 3 – 7

June 10 – 14

Pick a week, or come to both!

David Cordero de Jesus will continue as Camp Director for the sixth year. He brings his knowledge and experience coaching youth soccer in Williamson County to our camps. As an elementary school teacher's assistant and high school coach, he works with youth on a daily basis.

All camps are staffed with qualified select team and high school coaches with the assistance of high school and college soccer players, providing appropriate instruction for all campers.

***All Campers will receive a t-shirt and soccer ball!***

**Little Kickers Soccer Camp** is for players age 4 to 7, and is the ideal half-day camp for the younger player. Players participate in age-appropriate skill games, and finish each day with small-sided games.

Fees: \$100 per player

Hours: 8am – 11am at the WCS Complex West Fields.

**Hot Shots Soccer Camp** is for players age 7 and older, and provides the perfect atmosphere for recreational players to improve their skills in various stages of their development. The curriculum is a games approach to teaching skill as well as small-sided games each afternoon. Soccer related water games help keep the players motivated throughout the day. Coaches will help the players with their skills as they learn and improve while having fun.

**Hot Shots Advanced** is designed for players age 9 to 15 who have developed towards the intermediate skill level. The curriculum incorporates tactical themes along with skill work. Each day will have a technical theme which is reinforced with afternoon games. **Parents and players should expect increased physical demands at this advanced level.**

**Hot Shots Stoppers** is for goalkeepers age 9 to 15. Goalkeepers will spend the first half of the day with the goalkeeping staff improving individual technique. In the afternoon, goalkeepers will be incorporated with the field players in their age group. The goalkeeping staff will then monitor and evaluate progress in game-like situations.

Fees: Hot Shots Camp: \$135 per player. Hot Shots Advanced and Stoppers Camps: \$160 per player

Hours: 8:00am – 2:00pm at the WCS Complex West Fields

Lunch Options: No concessions are available. Players may either bring their lunch and a drink daily or pre-purchase their lunch for the week for \$25. Lunch must be ordered and paid for with camp registration.
